

**UNDERSTANDING BIBLE NUMERICIS AND THEIR SIGNIFICANCE IN PROVING
THE DIVINE INSPIRATION OF THE HOLY BIBLE**

**Article Four
God's Use of Numerical Designs in Scripture – a study of the numerical values
Of 13 specific numbers, their meanings and their significance**

GOD'S SEAL in the Bible is seen, not only in the 7's, but also in many other important numbers in a consistent and miraculous way. We will start with numbers 1 to 13. Each of these numbers bears very significant meanings.

- 1 – Unity or unit
- 2 – Separation or witness
- 3 – Divine perfection or Godhead
- 4 – Creative work or the world
- 5 – Grace (free gift of God)
- 6 – Man (under sin)
- 7 – God's seal – often called the perfect number, number of perfection
- 8 – Resurrection or new beginning
- 9 – Finality
- 10 – Ordinal perfection
- 11 – Disorganisation
- 12 – Perfect government
- 13 – Sin or rebellion

Note: Do not confuse 5 and 6. Man (6) is under Satan, yet he is literally covered by grace (5). We will discuss a few of these in greater detail. There are a few larger numbers such as 40, Probation, and 37, the living Word of God, and others. The amazing thing here is that these numbers bear significance right through the Bible and have been followed for many years by keen students of the Bible. Dr. Panin's Bible Code, Numerics, provides an even deeper shadow of things to come that also will harmonize with everything in the Bible. This makes researching the Bible very exciting and well worth the time and effort put into it to search and find all the other hidden truths Dr. Panin did not live long enough to finish discovering them! Other researchers have added more information, some of which I have provided.

8. RESURRECTION

The number **eight** signifies resurrection or a new beginning.

- 1 – **Eight** people were saved in the Ark, a marvellous picture of our Redeemer who was to be the "**Resurrection and the Life.**"
- 2 – Every male child in the Jewish family had to be circumcised on the **eighth** day (Genesis 17). This marked their new beginning under God's covenant.

- 3 – Bethlehem of Judea, the birthplace of Christ, is mentioned exactly **eight** times in the New Testament.
- 4 – The **eighth** earthquake mentioned in Scripture is to take place when Christ returns, signifying a new beginning.
- 5 – Christ rose from the grave on the **eighth** day after the arrival in Jerusalem, a new beginning.
- 6 – The Church was established in the **eighth** day and continued to meet on the **eighth** day (Acts 20:7). The **first** or the **eighth** day is mentioned **8 times** in the New Testament.

Note: Remember, that whatever the letters of any word add up to, that is its value, and no person can make anything different.

Here are some chilling truths which God has hidden in Numerics In the account of the birth of Christ.

- 1 – The Angel of the LORD spoke to Joseph, saying:

“And she shall bring forth a Son, and you shall call His name Y’shua (Jesus).” Matthew 1:21

- 2 – The letters in the name of Jesus totals **888**, a very significant number because it signifies three times the Divine Perfection, and also because of its factors, **37 x 8 x 3**, the three most sublime numbers connected with Jesus. I will give more information on this topic a bit later in this article.
- 3 – Jesus was also called “*the Christ*.” The gematria, **word value**, of “*Christ*” is 1480 (185x8).
- 4 – Jesus was called “Saviour,” which again is a multiple of 8, being 800 (100x8).
- 5 – Jesus was called “*Messiah*,” total value of 656 (82x8).
- 6 – Jesus usually termed Himself as, “*The Son of Man*” – this term occurs 88 times and its value is 2960 (370x8).
- 7 – There are **7 names** referring to Jesus, each with multiples of 8 as follows:

JESUS	Value	888 = 111 x 8
THE CHRIST	Value	1480 = 185 x 8
SAVIOR	Value	1408 = 176 x 8
LORD	Value	800 = 100 x 8
MESSIAH	Value	656 = 82 x 8
THE SON OF MAN	Value	2960 = 370 x 8
THE TRUTH	Value	64 = 8 x 8

- 8 – In Revelation the RESURRECTION is referred to as “*The Harvest*.” Value = 704 (8x888).

Note: The phrase “Lord of the Harvest” exactly doubles that of “the Harvest He reaps” – (16x88) and (8x88). The words for bridegroom and bride bear the same phenomenon in respect to the **times** they occur, namely, bridegroom, **16 times** (2x8) and the bride, **8 times** (1x8).

- 9 – David was the **eighth** son of Jesse and David was a type of Christ, who is the Resurrection and the Life.

Note: It is remarkable that the last book of the Bible is called the “Revelation of Jesus Christ,” and the vocabulary of the book contains exactly **888** words!!!! Everything in the Bible is part of God’s Numerical design. No author of the books of the Bible would have the ability or the knowledge to do this, especially John, in jail on Patmos! Or fishermen?

9. FINALITY

The number **nine** is used to signify “finality” in itself.

- 1 – **Nine** is the last or final single number. There is a new and fascinating fact about normal math that most people do not know. No matter what odd number is multiplied by 9, the **addition of the figures in the answer will always revert to 9!** $(7 \times 9) = 63$. $(6+3) = 9$, $(9 \times 37) = 333$. $(3+3+3) = 9$ or another one $(9 \times 13) = 117$ $(1+1+7) = 9$.
- 2 – The most significant number that could be put on paper to signify **absolute finality** is the number **999**.
- 3 – The first four opening words in the Bible, “IN THE BEGINNING GOD,” have a numeric value of **999!** There is something in the end that is also final. “*My wrath*” used in Revelation has the same significant value, **999**.
- 4 – The Greek words, “*Amen*” and “*Verily, verily...*” used by Christ also drive home a vital truth. The Greek word used for the meaning of these **words** is used **99 times** and its value is exactly **99**.
- 5 – Here is another very significant fact of divine significance: All the prophecies concerning the death of Christ were fulfilled, and now we see the work of redemption was completed in the **NINTH HOUR**. At that same hour the earth shook, and the veil of temple was torn from top to bottom, signifying the END of the Old Covenant. Christ’s last words were “it is finished.”
- 6 – Redemption is by blood alone. It is God’s seal, from Genesis to Revelation. This is absolutely final with God, as with “*verily*,” the word “**blood**” occurs exactly **99 times**.
- 7 – The **final judgment** is the “bottomless pit” which occurs exactly **99 times**. We have our choice!

13. SIN

The number **13** has always been conceived as a strange number. To the world this number carries a stigma and suspicion. The **thirteenth** floor has often been omitted in certain buildings! Some consider this number to have a taboo or evil connotation. Actually, they are not too far wrong! The Spirit of God used this particular number to represent **SIN** and **rebellion**.

- 1 – Ishmael was **13** years old when circumcised, and it was prophesied of him that he would be a **wild man**. This was borne out in history, even in his offspring!
- 2 – Solomon was **7 years building the temple**, but **13 years building his own house**. The truth expressed by these two numbers was also borne out in his own life as well as in the nation.
- 3 – Of the 20 Kings of Judah (including Athaliah) **seven were righteous**, while **13 turned away from God**.

4 – In Genesis 14:4 we read of **rebellion in the thirteenth year**.

5 – Dr. M. Mahan has shown that all the ungodly lines are marked by 13 in numeric value of their names.

Dr. Bullinger has shown that the names of the kings of the 10 tribes of Israel who forsook God are all marked with 13.

Note: These facts are almost incredible, for they reveal not only that God knew the course of each before they were born, but caused them to be so named that the numeric value of each would be a multiple of **13**!

6 – Genesis 10 there is a remarkable instance of **13**. Joktan was the ancestor of a sinful and rebellious race of people. He was the **13th** in the order of the children of Shem. Joktan had **13 sons**, the gematria (value) of his name is **169 (13x13)**, and the gematria of his **13 sons** is **2756, (2112x13)**. This really amounts to a numerical prophecy of a rebellious race.

7 – “*Klepton*,” meaning to steal, occurs exactly **13 times**.

8 – The word “*zume*,” leaven, which represents sin. It occurs **13 times** and is gematria value is **455, (35x113)**.

9 – Backsliding and hypocrite each occur 13 times in the Old Testament.

Note: All through history we see this pointer of sin; the most significant are those where the author of sin, Satan, is branded by God with this, his own trademark. Let’s look at some of his titles:

10 – “Dragon”; occurs 13 times with a gematria of 975 (75x13).

11 – “Tempter”; 1053 times (81x13).

12 – “Belial”; 78 times (6x13).

13 – “Murderer”; 1820 (140x13).

14 – “Serpent”; (780x13).

15 – The most amazing one is in Revelation 12:9, “called the Devil and Satan.” Value **2197, (13x13x13)**. What better significance is there to Satan’s status with God!

Note: Now for one final amazing fact to end this article.

1 – When Jesus hung upon the cross, He was made the extreme representation of SIN. This is why God withdrew His presence. (Mark 15:34). The significance of this fact will almost take your breath away – a fresh new look at the crucifixion. Pilate placed an inscription upon the cross, part of which read, “Jesus of Nazareth.”

2 – The gematria value of “Jesus of Nazareth” is **2197, (13x13x13)!!!!!!** Same as Satan. Coincidence? I will leave you to decide this one.

Note: in the next article we will begin with “The word of God.”
