

# Where are we today on God's Timeline?

## INTRODUCTION:

In Christian theology, Jesus is the author of ALL scripture and EVERYTHING CREATED.

**EZEKIEL** 37 through 48 gives the complete prophecy that will continue to be coming to pass NOW in our generation and into the future! There are verses in various other books of the Bible that gives the same information about the end times. I would recommend you read the last chapters of Ezekiel for starters...a good background for what is happening today in our VERY NEAR future! They will give you a sample of what you will be reading in other parts of this series.

**Ez. 37:12<sup>AMP</sup>** ...Thus says the Lord God, 'Behold, I will open your graves and make you come out of your graves, My people; and I will bring you [back home] to the *land* of Israel.'

**Vs 14** ...I will put My Spirit in you and you will come to life, and I will place you in your own land. Then you will know that I the Lord have spoken and fulfilled it," says the Lord.

**Vss. 21-22** ...Say to them, "Thus says the Lord God, "Behold, I am going to take the children of Israel from among the nations where they have gone, and I will gather them from every side and bring them into their own land; and I will make them one nation in the land, on the mountains of Israel; and one king will be king over all of them...partially fulfilled. We are waiting for the king and the rest of the people still to come.

## THE LAND OF ISRAEL:

Israel will be God's focus prior to and after Jesus Christ's second coming, written in greater details. The *entire* Bible, including specific words spoken by Jesus and the Apostles, speak about the second coming of Jesus and *the land* is a very important part of these events, not just the people.

- Jesus will rule Israel in the second coming and He will be in the land.

1) Israel is described as God's land, desolate and uninhabited...that has already changed!

2) The coming battles will be fought against enemies they have never fought before in Ezekiel's time and actually lists some of their names: Libya, Persia, Ethiopia, plus many others. They all have one thing in common—they hate Jews. They want to destroy ALL Jews in the world and their actions are getting very violent, getting more vicious as time goes by. They are currently known as Muslim nations. Their God is Allah [Satan]. Remember him? He will be returning visibly as Anti-Christ in the form of a man. He is already here but cannot make himself known yet. More of that topic later in the series. All the main information is available in the Bible and that is what I will be sharing with all of you in this mini series.

3) They are also fighting for the land that they consider their holy land.

4) God sent Bible prophecy; He intended them to be understood as they were handed down. We are able to do this by cross-referencing and research in the Bible and other sources where they are available. We can also benefit from the research of others by comparing them with the Bible.

5) Since we cannot see how God will fulfil prophecy in the future, we must wait. As the predictions come to pass, then we shall know that it was God's plan. We watch for the next event until all the prophecies are fulfilled.

**Read : Zech 12 through 14 to see his prophecy for the end times. This will help you to understand all the other prophecies and be able to compare them.**

This is the end of the introduction. It only gives you a small taste of the interesting things to come in the following teachings on this subject.

PART 2 IS UNDER CONSTRUCTION...see you then.
